

New Safety Photo Guidelines

Reflecting a Culture of Safety

We strive to make the
university better every day.

UC DAVIS
FINANCE, OPERATIONS
AND ADMINISTRATION

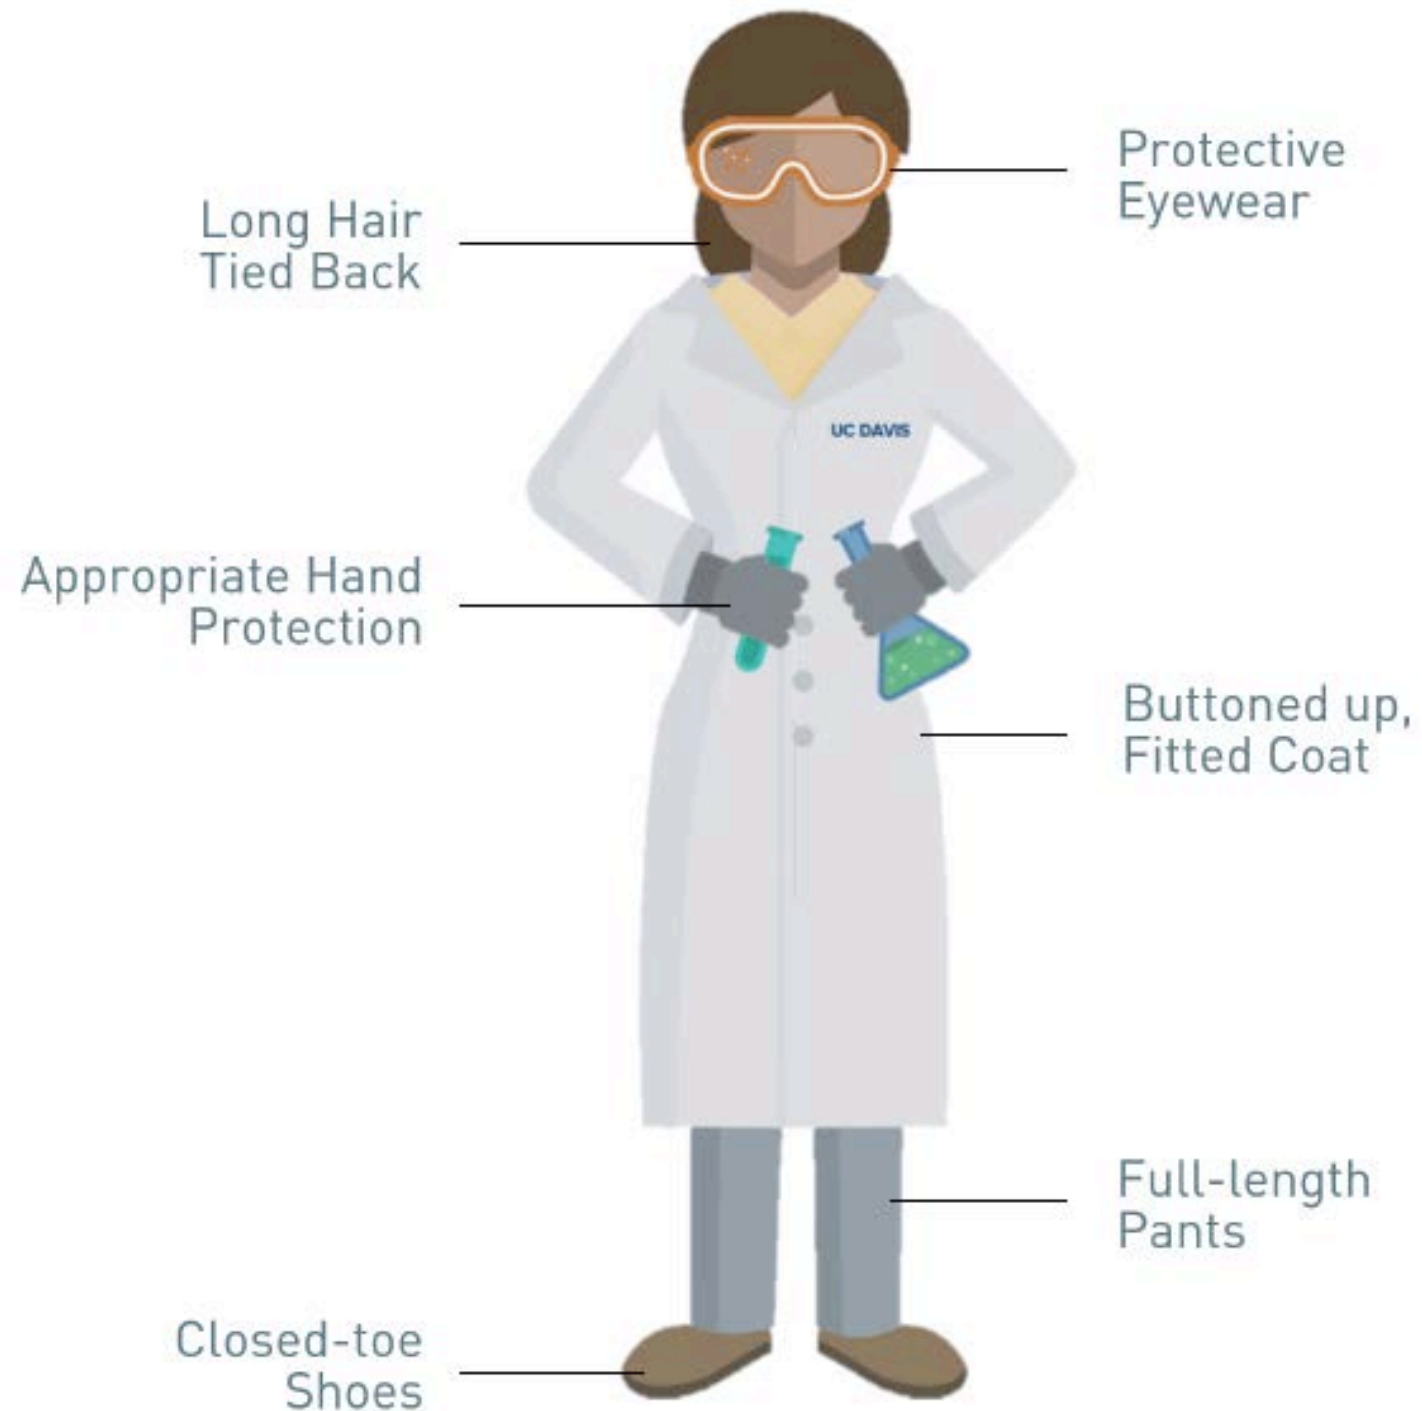

It's good to be safe.

- 1 More than 3,000 labs with 7,500 lab personnel.
- 2 About three-quarters of undergrads are involved in research.
- 3 We spend \$2M / yr to treat workplace injury and illness.

Photo guidelines.

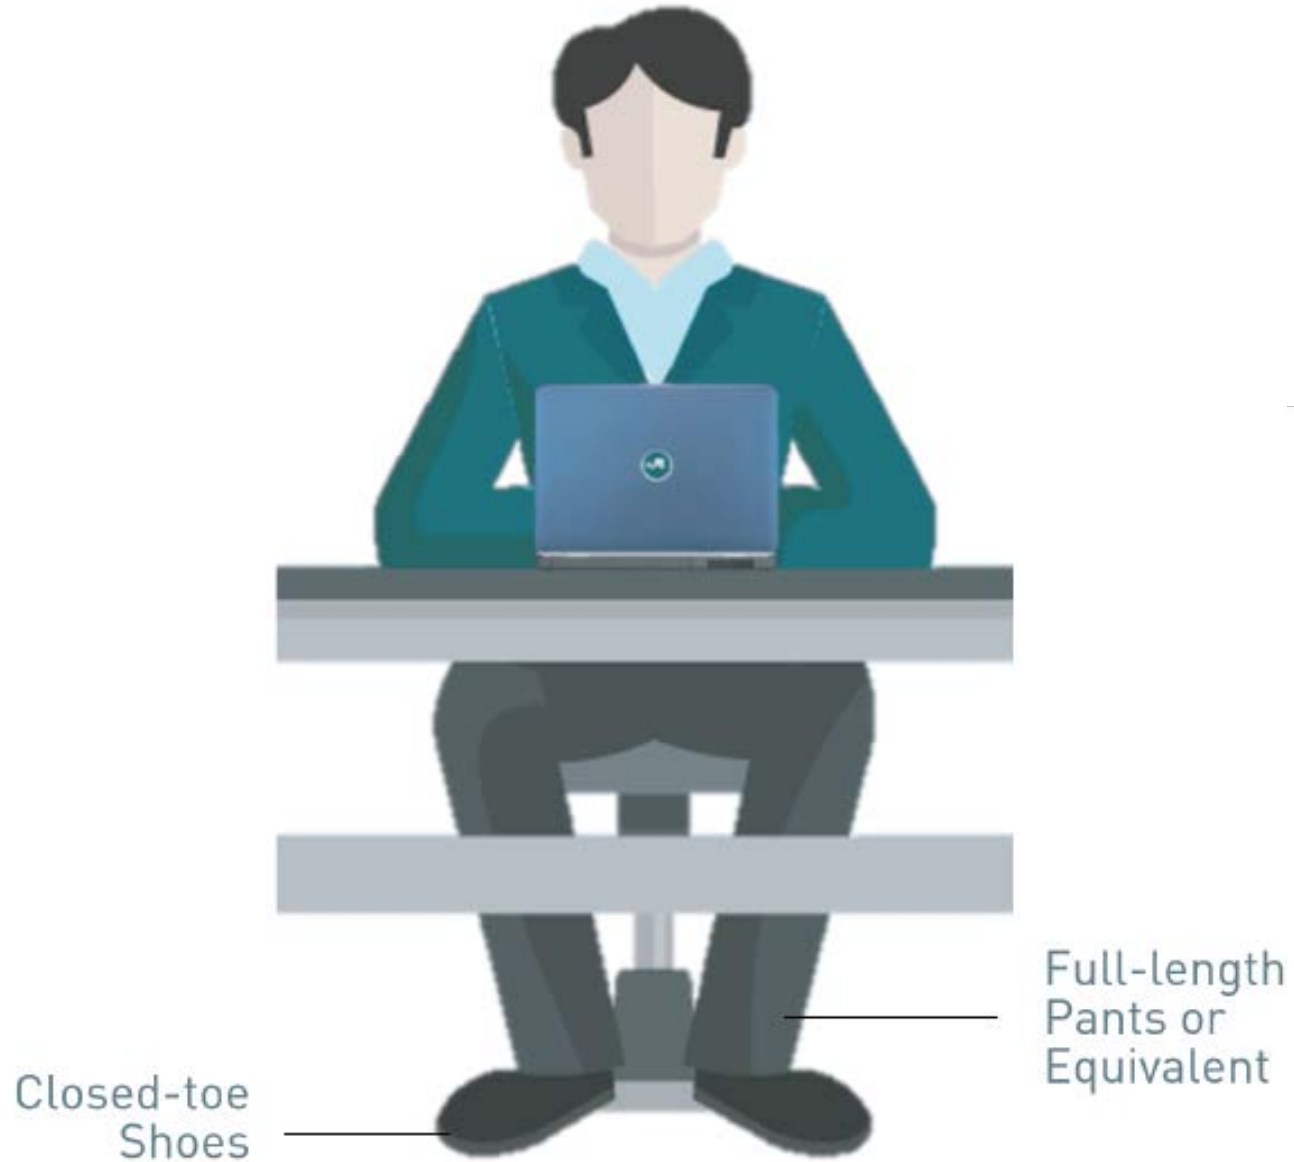

- 1 Photos should reflect best practices, not minimum.
- 2 If subjects refuse to wear PPE, then don't shoot it.

Digital images should reflect **best practices.**

Minimal attire

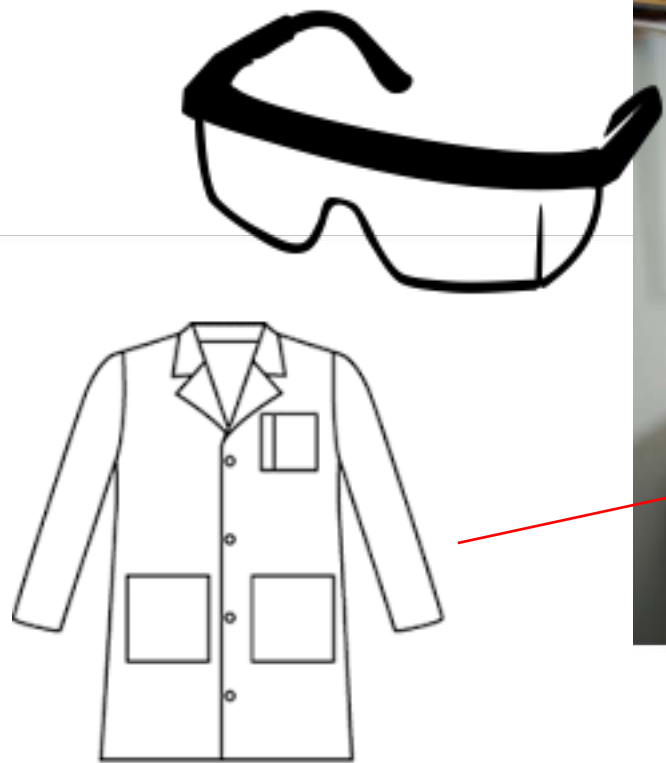

should not be the photo standard.
